

## Green Dot and Wealthfront Extend Partnership to Simplify How Young Professionals Maximize Savings and Build Wealth

December 19, 2022

*Wealthfront's award-winning Cash Account offers 3.80% APY, up to \$2 million FDIC insurance through partner banks, and seamless checking features powered by Green Dot Bank, member FDIC.*

AUSTIN, Texas--(BUSINESS WIRE)--Dec. 19, 2022-- [Green Dot Corporation](#) (NYSE: GDOT), a digital bank and fintech enabling powerful banking and payment solutions for businesses and consumers, and [Wealthfront](#), an industry-leading automated wealth management provider serving the next generation of investors, have extended their partnership that provides seamless checking features and money movement for Wealthfront's award-winning Cash Account.<sup>1</sup>

Wealthfront began partnering with Green Dot in 2020 to offer Cash Account clients seamless access to checking features. Those features include the ability to receive direct deposits up to two days early, pay bills, send and deposit checks, and easily access cash at a nationwide network of ATMs through a debit card. The Wealthfront Cash Account requires just \$1 to get started and comes with a 3.80% APY, zero account fees, unlimited free transfers, automated saving features including customizable cash categories, near-instant transfers into Wealthfront's Investment Accounts, and up to \$2 million in FDIC insurance through partner banks.

"Today's investors want smart saving and investing products that help them build wealth in all market conditions, which is why we're proud to offer the Cash Account to help our clients earn more on their uninvested savings," said Dave Myszewski, VP of Product at Wealthfront. "With one of the highest rates on the market plus checking features powered by Green Dot, we're able to provide a best-in-class Cash Account that is far superior to what a traditional bank can offer, so our clients can grow their long-term wealth easily and conveniently."

In 2021, the number of investors using robo-advisors like Wealthfront grew at a record rate, [up 23.2 percent](#) from 2020, as young investors in particular looked for more accessible and affordable means of growing their wealth. Wealthfront has seen strong growth on its platform as millennial and Gen Z investors have been drawn to its full suite of digital saving, investing, and borrowing services.

Wealthfront clients are also increasingly leveraging checking features provided by Green Dot to seamlessly save into a high-yield account that offers fast, easy access to cash when they need it. Whether that means direct depositing a portion of their paycheck to automate their savings, depositing checks straight to an interest-bearing account, or using the account and routing numbers to pay bills and friends, the Wealthfront Cash Account helps clients maximize earnings on their uninvested cash without sacrificing flexibility or security.

"Savvy consumers demand more convenient financial solutions that help them build their savings and invest for the long term, and offer easy management and understanding of cash flow," said Amit Parikh, EVP, Banking Platform Services at Green Dot. "We're proud to partner with Wealthfront to power consumers with more seamless, secure and useful financial tools and experiences."

### Disclosure:

Visa is a registered trademark of Visa International Service Association. Green Dot Bank operates under the following registered trade names: GO2bank, GoBank and Bonneville Bank. All of these registered trade names are used by, and refer to, a single FDIC-insured bank, Green Dot Bank. Deposits under any of these trade names are deposits with Green Dot Bank and are aggregated for deposit insurance coverage. Wealthfront products

and services are not provided by Green Dot Bank.

Early availability depends on timing of payor's payment instructions and fraud prevention restrictions may apply. As such, the availability or timing of early direct deposit may vary from pay period to pay period. Interest does not begin accruing until funds arrive at the program banks, which may take up to one business day.

Other fees apply to the checking features. Fee-free ATM access applies to in-network ATMs only. For out-of-network ATMs and bank tellers a \$2.50 fee will apply, plus any additional fee that the owner or bank may charge. Other eligibility requirements for mobile check deposit and to send a check may apply. Please see the [Deposit Account Agreement](#) for details.

Cash Account is offered by Wealthfront Brokerage LLC ("Wealthfront Brokerage"), a Member of [FINRA/SIPC](#). Neither Wealthfront Brokerage nor any of its affiliates are a bank, and Cash Account is not a checking or savings account. We convey funds to partner banks who accept and maintain deposits, provide the interest rate, and provide FDIC insurance. Investment management and advisory services--which are not FDIC insured--are provided by Wealthfront Advisers LLC ("Wealthfront Advisers"), an SEC-registered investment adviser, and financial planning tools are provided by Wealthfront Software LLC ("Wealthfront").

The cash balance in the Cash Account is swept to one or more banks (the "program banks") where it earns a variable rate of interest and is eligible for FDIC insurance. FDIC insurance is not provided until the funds arrive at the program banks. FDIC insurance coverage is limited to \$250,000 per qualified customer account per banking institution. Wealthfront uses more than one program bank to ensure FDIC coverage of up to \$2 million for your cash deposits. For more information on FDIC insurance coverage, please visit [www.FDIC.gov](http://www.FDIC.gov). Customers are responsible for monitoring their total assets at each of the program banks to determine the extent of available FDIC insurance coverage in accordance with FDIC rules. The deposits at program banks are not covered by SIPC.

The Annual Percentage Yield (APY) for the Cash Account is accurate as of December 2022 and may change at any time, before or after the Cash Account is opened. The APY for the Wealthfront Cash Account represents the weighted average of the APY on the aggregate deposit balances of all clients at the program banks. Deposit balances are not allocated equally among the participating program banks.
