

## Crypto.com Partners with Green Dot to Enhance Banking and Money Movement Features

Apr 30, 2025

*U.S. customers will have access to new account, savings and cash management features powered by Green Dot's embedded finance platform, Arc*

PROVO, Utah--(BUSINESS WIRE)--Apr. 30, 2025-- [Crypto.com](https://crypto.com) and Green Dot Corporation (NYSE: GDOT) are partnering to offer new banking and money management tools and features to Crypto.com's U.S. customers. Crypto.com will leverage Green Dot's embedded finance platform, [Arc](https://arc.green-dot.com), as an on-ramp and off-ramp for customers' Cash Accounts and enable them to earn interest and easily fund accounts using U.S. dollars digitally or with cash at thousands of Green Dot Network cash access locations nationwide. Additionally, Crypto.com will launch a new interest-earning savings vault powered by Arc, with additional features and functionality planned for the future.

"Increasing everyday utility of cryptocurrencies and providing customers more ways to enhance their financial lives are both central to our vision and roadmap at [Crypto.com](https://crypto.com)," said Joe Anzures, General Manager, Americas and EVP of Payments, Crypto.com. "We are thrilled to partner with Green Dot, a true leader that shares our vision for digital payment utility and financial empowerment, in offering banking services to Crypto.com's U.S. customers."

With more than 350 cryptocurrencies on its platform\*, Crypto.com has one of the largest selections in the industry. By providing an on-ramp and off-ramp to fund [Crypto.com](https://crypto.com) Cash Accounts, either digitally or with cash at thousands of convenient cash-in and cash-out locations at retailers nationwide via the Green Dot Network, Green Dot is enabling Crypto.com customers to utilize cryptocurrencies more easily and affordably. The Cash Account's new savings vault will also allow Crypto.com customers to earn interest on the funds they are already using to purchase cryptocurrency.

"We are thrilled to partner with Crypto.com to enhance the customer experience for their millions of users in the U.S. with more seamless and affordable means of buying and selling cryptocurrencies," said Renata Caine, GM/SVP of Embedded Finance, Green Dot. "Crypto.com has been a trailblazer in safely and securely advancing the adoption of cryptocurrency in the U.S., and we are looking forward to innovating on behalf of their customers for years to come."

For over 25 years, Green Dot has expanded access to modern banking and payment tools for consumers and businesses. Powered by [Arc](https://arc.green-dot.com), the Green Dot Network of more than 95,000 retail locations nationwide offers cash-in and cash-out capabilities in stores including Walmart, Walgreens, 7-Eleven, CVS and more. As traditional banks continue closing brick and mortar locations across the U.S., particularly in underbanked communities, the Green Dot Network provides seamless access to cash services for almost all U.S. consumers, with 96 percent of the U.S. population living within three miles of a Green Dot Network location. The Green Dot Network's money movement capabilities also enable partners to offer their customers the ability to move funds digitally between bank accounts.
